

NOTICE OF INFORMAL SOLICITATION FOR OFFERS FOR PURCHASE OF COUNTY OWNED PROPERTY

The Sampson County Board of Commissioners, by resolution adopted on January 8, 2024, directed staff to informally solicit offers and negotiate with prospective purchasers regarding the sale of the property previously used as the Sampson County Emergency Services Department building, located at 107 Underwood Street, Clinton, NC 28328 (Parcel ID No. 12-0101151-03), excluding the portion of the property where the Veteran's Memorial is located, which will be retained by the County. Surveying of the parcel will be completed at a later date in order to determine the total amount of the property that will be retained by the County for the Veteran's Memorial.

Informal written offers should be sent to Juanita Brewington, Sampson County Finance Office, 406 County Complex Road, Suite 120, Clinton, NC 28328. For further information, please call 910-592-7181 ext. 2256.

Any informal offers received will be reported back to the Board of Commissioners so that the Board may consider whether to begin the process of disposing of the property pursuant to N.C. Gen. Stat. § 160A-269 at their February 5, 2024, Board of Commissioners meeting. The Board may elect not to initiate the negotiated offer and upset bid process and may at any time reject any and all offers.
