**Rollover Information**

If your rollover amount is from a 401(a) or 401(k) plan and it includes **after-tax** dollars, your current carrier needs to provide the amount of the **after-tax** contributions along with the check. Otherwise, the entire amount will be applied as before-tax. Any permissible rollover that includes after-tax dollars must be made in the form of a direct rollover. Your rollover assets will be invested according to your current allocation election. If your rollover amount is from any of the North Carolina Retirement Systems, select the box for 401(a).

The law requires that any withdrawals made of after tax monies from a qualified plan must have a proportionate amount of earnings attached to them. This means that if you happen to have after tax contributions that were made to your account in 1986 or before, you can take a withdrawal at a future date of just the principal amount and you will not be required to include earnings. Any after tax contributions made after that date you will be required to take a proportionate amount of earnings. Your prior record keeper should have been tracking your pre-1987 and post-1986 after tax contributions.

Please note: If Prudential receives a Rollover Acceptance Form that does not specify the breakdown of your pre-1987 and post-1986 after tax contributions, the monies will be deposited as post 1986 after tax monies and will have a proportionate amount of earnings attached to them for any future withdrawals until such time as you provide documentation to prove otherwise.

Is any portion of this rollover attributable to designated **Roth** contributions?  Yes  No  
**Only Roth 401(k) and Roth 403(b) contributions are acceptable.**

**Minimum  
Distribution  
Information**

I understand that if I have attained the age of 70 ½ or older, the distributing carrier is required to process the Minimum Required Distribution before transferring the funds to Prudential. Therefore, if I meet these requirements, and have not already done so, I understand that I need to direct the prior carrier to distribute my Minimum Required Distribution prior to processing this rollover.

**Your  
Authorization**

I, the Plan member, certify that all information on this form is accurate. I also certify that this rollover contribution was distributed from a plan intended to satisfy the requirements of I.R.C. § 401(a), 401(k), 403(a), 403(b), 457 (governmental only), or an IRA established pursuant to IRC § 408 (pre-tax money only) and, which to the best of my knowledge, does satisfy them.

I certify that this distribution can be rolled over into my account with Prudential because it:

- 1) is not one of a series of substantially equal periodic payments (not less frequently than annually) distributed over my life or life expectancy (or the joint lives [or joint life expectancies] of me and my beneficiary) or over a period equal to or greater than 10 years,
- 2) was received by me not more than 60 days before the date of the rollover to the Plan,
- 3) would be includible in gross income if not rolled over in its entirety,
- 4) does not represent a Minimum Required Distribution, a hardship distribution, or a corrective distribution (for example: corrections of elective deferrals or elective contributions, etc.), and
- 5) was not distributed to me as a non-spousal beneficiary.

Prudential Retirement will not accept responsibility for the actions of your distributing plan.
