

INCENTIVES AVAILABLE FOR INSTALLATION OF LOW FLOW DEVICES

To encourage water conservation, Sampson County will offer one-time credit to be applied to water bills for the replacement (only) of standard faucets, shower heads and toilets with low flow faucets, shower heads and toilets. The one-time credits can apply only to replacement projects and evidence of such replacement satisfactory to the County must be provided.

Credits available include:

<u>Item</u>	<u>Credit</u>
Replacement of Faucet	\$1.00 per fixture
Replacement of Shower Head	\$3.00 per fixture
Replacement of Toilet	\$5.00 per fixture
Maximum "One Time" Credit Per Household	\$15.00
